### OUR MEDICAL CENTRE

Broadmeadow Medical Centre has been operating since 1998 and is a QPA accredited surgery. All doctors within our centre conduct their own independent practice and are committed to providing you with the best care.

### PRACTICE HOURS

7am to 5pm Monday to Friday, 8.30am to 12pm Saturday

**Newcastle Afterhours** run the clinic 5:30pm to 9pm Monday to Friday, 12pm to 9pm Saturday & 9am to 9pm Sunday and on public Holidays.

### HOW TO SEE YOUR DOCTOR

You can make an appointment with your doctor by phoning the Centre on **4041 4400**. Appointments are generally made at 12 minute intervals. We offer double or long appointments for those who feel they will need extra time to discuss their health.

While we endeavour to accommodate patients presenting with urgent matters on the day, we may need to refer you to or suggest another service. As appointment doctors can be booked up in advance, we keep a few "fill on the day" appointments for urgent matters. To secure an "on the day appointment" you are encouraged to phone from 7am as they do fill up quickly.

Telehealth appointments may available with your usual GP, and can be booked with reception or online via HotDoc. Please note that telehealth appointments are not available for new patients, and you need to have seen your usual GP in person within the last 6 months.

**If you require interpreting services, please inform reception when booking your appointment.**

### RESCHEDULING OR CANCELLING APPOINTMENTS

At our practice we understand that you may not be able to attend your scheduled appointment so we will do our best to reschedule your appointment. Where practicable we require 2 hours' notice to reschedule or cancel your doctor's appointment. No shows and cancellation within the required timeframe will incur a cancellation fee.

### FEES

**Fees may vary between doctors** as each doctor allocates their own fee structure. Please ask reception for individual doctors billing requirements. The fees vary depending on the length of time you spend with the doctor. **Non eligible** services under Medicare include: Travel Consults, Driving & Insurance Medicals / Pre employment Medicals, Workers Compensation, Third Party Claims and purchase of non-government supplied vaccinations. **Fees are payable at time of consultation.** A deposit is required for new patients and for procedures, which is deductible from the fees on the day of consultation. If seeing a doctor for a procedure, Mental Health Care Plan or Mental Health Consult, please see reception for possible private costs. Additional fees may be incurred for accounts, late payments, late or non-cancellations of appointments. We are happy to discuss situations of genuine financial hardship in individual cases as it is not our intention to cause you financial distress.
